Politica Social:

Productivity, Growth and Poverty in Mexico Santiago Levy Algazi, 2007-06-15 Conditional cash transfer programs are based on a simple yet powerful premise creating adequate incentives today to stimulate the accumulation of human capital in poor families can provide future generations with the opportunity to generate their own higher incomes Looking at the experience of Progresa Oportunidades the oldest such program whose results after 10 years provide valuable lessons offers the opportunity to examine whether the youth of Progresa Oportunidades in a not too distant future will be able to find productive jobs that allow them to escape the poverty that has trapped their parents In this study Santiago Levy looks at this question from an innovative perspective analyzing how the intrinsic structure of incentives created by a set of social policies can aid or inhibit the achievement of the principal objective of Progresa Oportunidades to break the intergenerational transmission of poverty This study can help spark a discussion in many countries on the links between social policy

productivity growth and in turn poverty reduction **Latin American Social Work in the Justice System** Claudia Reyes-Quilodr  n, Rajendra Baikady, 2023-06-28 Social work has long been working directly with the criminal and civil courts of the justice system The work of Latin American practitioners in the legal system however is little known at global and local levels This book is the first to go beyond Western centric appraisals and presents a truly Latin American portrait of social work in the justice system The long term interaction of social work practitioners with the judicial system enabled them to develop an expertise to dialogue with other disciplines such as law and psychology This knowledge is very important to identify and share with other professionals to develop specialized programs for education and training In this sense positive and negative experiences of social work in the justice system allow one to improve its practice It is crucial to identify local experiences and the great dilemmas that the profession faces on this subject The volume s chapters deal with these dynamics in Latin American countries including Forensic Social Work The construction of possible ways of the criminal intervention Socio Legal Social Work in the Field of Criminal Defense Family and Community Life Contributions of Social Work to the Debate in Family Courts Support to Victims in High conflict Scenarios An approach from the socio legal the pedagogical and the care perspectives The Assessment of Child and Adolescent Sexual Abuse Allegations from a Social Work Perspective Latin American Social Work in the Justice System is essential reading for students researchers academicians policymakers and practitioners who are interested in international social work with a special focus on Latin American countries and legal culture Students and scholars in law development studies and public policy as well as psychologists working with and interested in the judicial system would also find this book a useful resource *The Cuban Revolution as Socialist Human Development* Henry Veltmeyer, Mark Rushton, 2011-11-11 The book argues that the Cuban Revolution should be understood as a model of socialist human development Several particular features of this model were critical to the survival of the Cuban Revolution under conditions of neoliberal globalization **Cuban Studies 41** Louis Perez, Catherine Krull, Soraya Castro

Marino,2011-01-30 Cuban Studies 41 includes essays on the ideology behind United States foreign policy toward Cuba a gendered study of Cubans who migrate to other countries fifty years of Cuban medical diplomacy the fifty year relationship between Havana and Moscow national cultural policy and the visual arts in the aftermath of the Grey Years and a look at the global influence of Havana cigars

Law and Social Policy in the Global South Ulrike Davy,Albert H.Y. Chen,2022-12-13 The book is an in depth study of the origins and the trajectories of the law governing social policies in Brazil China India and South Africa four middle income countries in the global South with a history in social policy making that starts in the 1920s The policies of these countries affect almost half of the world s population The book takes the legal framework of the policies as a starting point but the main interest lies behind the letter of the law What were the objectives and goals of social policy over the course of the last 100 years What were the ideas ideologies and values pursued by relevant actors The book comprises four country studies and a comparative study The country studies concentrate on the political and social context of social policy making in Brazil China India and South Africa as well as on the ideas ideologies and values underpinning the constitution statutory laws and case law that frame and shape social policy at the national level The country studies are complemented by a comparative study exploring and describing the commonalities and differences in the ideational approaches to social policies across the four countries nationally and in the formative decades internationally The comparative study also identifies the characteristics that make Brazilian Chinese Indian and South African social policies distinct from European social policies With its emphasis on law and drawing on legal scholarship the book adds a new dimension to the existing accounts on welfare state building which so far are dominated by European narratives and by scholars with a background in sociology political science and development studies This book is relevant to specialists and peers and will be invaluable to those individuals interested in the fields of comparative and international social security law human rights law comparative constitutional law constitutional history law and development studies comparative social policies global social policies social work and welfare state theory The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license
